HOME OCCUPATION STANDARDS

Year: 1992

Services: _____

License #: _____

17.10.020 Standards. Home occupations shall be permitted only if they comply with the following standards:

- A. All structures must comply with general appearance, setbacks, and landscaping standards and regulations applicable to the principal zoning of the area in which located.
- B. No displays, signs, and/or advertisements shall be permitted, except as allowed by Chapter 17.52 (general development and use standards-signs).
- C. The permitted activity shall not be injurious to the use of neighboring property for designated purposes by reason of noise, vibration, odor, radio/electrical interference, or excessive parking or traffic problems.
- D. The person conducting the profession or business must reside within the dwelling unit in which the activity is located, and such use must clearly be incidental to the residential use.
- E. There shall be no employment of help other than members of the resident family.
- F. There shall be no use or storage of dangerous chemicals, acids, caustics, explosives, or other such hazardous equipment or materials.
- G. There shall be no excessive or unsightly storage of materials and/or supplies outside.
- H. There shall be no use of utilities or community facilities beyond that normal to the use of the property for residential purposes.

I HAVE READ AND I UNDERSTAND THE STANDARDS REGULATING HOME OCCUPATIONS IN THE CITY OF RANCHO PALOS VERDES.
